

About Everything Education:

Welcome to Everything Education, your comprehensive tool for excelling in English, Maths, and Science exams. Our app is meticulously designed to aid students in their revision process, leveraging the power of past exam papers and real teacher-created content.

Our Mission:

Everything Education was born from a desire to revolutionise the way students prepare for their exams. We are dedicated to accelerating improvements in student performance and guiding them towards achieving aspirational grades in key subjects.

Our Founder:

Everything Education was founded by Mr. Everything English, an experienced educator who has taught in secondary schools nationwide. With a background as Assistant Headteacher and a wealth of academic qualifications including a BA in English, MA in English, PGCE in English, and an NPQSL, Mr. Everything English brings a deep understanding of effective teaching methodologies and the cultural nuances necessary for student success.

Our Approach:

At Everything Education, we firmly believe in the power of practice and research-based learning. Our content is derived from real exams and crafted by qualified teachers, ensuring that students receive the highest quality resources to aid their revision journey. We cater to students of all abilities, fostering a culture of belief where passion for the subject drives academic excellence.

Beyond Traditional Learning:

We understand that the educational landscape is evolving rapidly. That's why we go beyond traditional schooling to equip students with the skills and knowledge needed to thrive in a changing world. With Everything Education, students embark on a journey of growth, empowerment, and limitless possibilities.

Join us on this exciting educational adventure and discover the endless opportunities that await with Everything Education.
